

Lesson 2 – Trade IQ

Test your students' trade IQ in order to provide a base of information and learning required on the skilled trades.

Careers in Trades offers [An Educator's Guide to a Career in the Skilled Trades](#) (formerly the binder *Apprenticeship: A First Choice Career Option*).

The guide covers the following information:

Section 1: About Skilled Trades

Section 2: About Apprenticeship

Section 3: Activities to explore skilled trades and apprenticeship

Section 4: Endnotes

The Trade IQ quiz can be found in Section 3, page 37. The classroom activities that cover additional trades can be found on pages 40-51.
